**Tell us, and our girls, what you want more and less of!**

### TRIPLE WORD PHWOAR!

I can't believe Isis (*MensWorld* 23.8) was worried about image and her love of board games. I can think of nothing I'd rather do than play a game of Scrabble with her, as long as she wore something low cut so I could check out her cleavage when it was her go. I'm not stupid, though, I don't just want to test out her knowledge of the all-important two-letters words (Zo, for example), I want to whisk her right into bed afterwards
*Geoff, Essex*

*We like a good board game with a lady too, Geoff, although mostly because we insist on introducing a 'strip' element to most games we play. But from what we know of Isis (not much, admittedly), she's no dummy when it comes to Scrabble and would probably be sat there all dolled up while we were reduced to our pants. And we probably wouldn't be able to hide the hard-ons she gives us!*

### GUEST APPEARANCE!

Just a huge thank you for bringing Jo back again, it really is fantastic news. Like so many I'm a devoted fan and have followed her for years, first time around and the second stint in your fab mag, but frustratingly I somehow missed the issue back in 2006 (Vol 18 no.8) with the *Jo Guest Uncut* DVD. I wondered if there might there be any plans to offer that DVD again, to celebrate her return? (Or is there any chance you may still have some knocking around the office, sorry, have been trying to get hold of one for ages!) Anyway, thanks again, can't wait to see her featuring again on a regular basis.
*Marcus, by email*

*We're glad you're glad she's back. Because we're glad she is too. She might not be shooting anymore, but we can still remind ourselves of the finest British glamour model ever. In fact, we've had stacks of post about it. As for the DVD, we'll try and find one for you. Staff members have pilfered most of them!*

**CAN'T GET E-MUFF!**

I know trends change over the years, but I've never been able to get into clean-shaven fannies. They've been hard to avoid for as long as I remember, and I'll take a lovely pussy wherever I can get it, but I'm really chuffed to see a few hairier girls back in magazines like *MensWorld*. I'm talking specifically about Bobbi Starr (On-Set, 23.8), who is the perfect porn star. She's beautiful, she does pretty much everything and with evident passion – and best of all she's got a muff!

*Phillip, Oldham*

*Like you, we'll take a nice pussy whether hairy or bald, and can appreciate both. But you're spot on about Bobbi Starr – if ever someone was going to be single-handedly responsible for the comeback of hairy fannies, it's her.*

**EVELYN**

PHOTOGRAPHY: PDL MEDIA

If there was a world championships for pouting – and there probably is, to be honest, but we're too tired to do a Google search for it – then we reckon Evelyn would walk it. Amateur pouters think it's all about the lips, merely a matter of sticking them out. Ha! Evelyn would eat them alive. No, she knows it's also about the eyes, and Evelyn's are so smouldery that if you look at them for too long, it's like *Firestarter*.

Lips out, eyes to smoulder, suck in the cheeks – Evelyn truly is the queen of the pout. Of course, she's also really good at that 'moist lips slightly apart' thing as well. She's doing it on the left now, look. We know there aren't any world championships for that, but there should be.

# Stick It In!

**We love hearing about all your filthy fumblings and sexual shenanigans, so if you've been out pulling birds, up to your nuts in the woman next door, or even just shagging your own missus, make sure to write in and tell us. There's £50 per letter in it for you, so get writing…**

### STRIP POKE-HER!

I first saw Jennifer at a sleazy strip joint in the East End when a bunch of us took a friend there for his birthday. My mates laughed when they saw this stripper who looked like my double, and Jennifer herself was quite taken aback to have her lookalike slip some cash into her G-string!

We got talking over a drink later and she offered to teach me to dance, thinking we could maybe do a double-act. And we did our first show the other night. In rehearsal most of our moves were faked, but the spotlight and the cheering crowd really turned us on. When we'd caressed each other's tits – Jennifer sucking on my nipples – then yanked our panties down, her fanny was hot and juiced up, leaving a big wet streak the length of my thigh as we ground against each other.

In fact, we got a little carried away, and just kept on dirty-dancing as the final song of our set faded away. But the DJ picked another sexy track as we slithered to the floor, rubbing our cunts together. Jennifer's a born dancer and she moved rhythmically, seeping her hot wetness into my hole. And I just ground right back hard against her, shaking my tits and moaning. We were ignoring the money the men were throwing onstage, just lost in screwing each other.

I came before the music faded, a warm sensation spreading through my body as my hot twat shivered against Jennifer's. Then we really had to leave the stage – I feel sorry for whoever had to follow our act!

Not that we cared: we went backstage and picked up where we left off. It was Jennifer's turn to cum and so I laid her on the daybed, spread her legs as wide as they'd go and ploughed my tongue into her hole. The honey flowed out of her and I drank it down. We didn't care who saw us, as she humped against my mouth in orgasm.

Another dancer, Zola, said she'd love to join in but she was wanted onstage. Instead, she tossed us one of the dildos she sometimes uses in her private shows. Jennifer grabbed it and started to play it over my body, in between my tits and arse cheeks.

She laid it along my slit and pressed her own cunt on the upper surface, riding me pussy to pussy with the toy in between. Then she pushed the dildo inside of me, inch by inch, pulling out then fucking in a little further each time until it was good and deep.

It's a cliché to say that only a woman really knows how to satisfy another woman, but today it seemed true. Jennifer fucked me with the dildo, angling it so it hit my G-spot with every thrust and swirling her tongue on my clit. It felt like every part of my pussy was throbbing, and I bucked my arse clean off of the bed as I came.

The dildo was still wedged inside of me as I lay there, panting, my head

swimming. Jennifer pulled it out and licked it, using her fingers on my G-spot instead – another orgasm hit me like an aftershock.

She got the idea of offering a very special private dance to a lucky guy – and we found one who'd turned 21 that day. We took him into the back room and Jennifer began to dance, rubbing up against him. He stuck to the rules, not touching her, but she made up for it, rubbing her tits and cunt all over him.

She unzipped him to expose… well, the kind of a hard-on you'd expect a lad of 21 to be packing in a strip joint! Then she told him to play with himself because that's what she'd be doing.

Now I bent her over and slammed the dildo into her cunt, making sure he saw everything. I fucked her hard; then when I saw him reach the point of no return, told him to shoot his spunk on her arse cheeks, while I spanked them with my tits and kept fucking her with the dildo. It was dripping with all sorts of cream when we gave it back to Zola, but Jennifer figured she'd like that! Then we went home to play with my toy collection…
*Toni, London*

## FORTUNE FAVOURS THE SHAVE!

I've always been a little shy and self-conscious, figuring men only liked women with serious curves and big boobs. Then I met Jack who said I had the nicest tits he'd seen in his life. He wasn't just being nice – I'd see him gaze at my boobs when we were out, then move around in his seat to ease the strain on his dick!

One time in a restaurant, we sneaked out the back. The poor boy was so horny he couldn't wait for me to get out of my jeans. "Just show me those tits," he groaned. Then, the instant I got his cock out of his jeans, he was dousing them in spunk. I mopped it up, rubbing it in, and we went home for an early night. He fucked me long and slow, hands and mouth all over my boobs as he made me cum, then he came himself, deep in my twat this time.

That's all well and good, but I like when he cums on me, especially my sexiest parts! So as a treat for both of us, I asked him to shave my pussy. It's always trimmed neat, but I'd never had it all removed before. He was already hard when I lay back on the bed and splayed my thighs. Then he soaped my bush and used a safety razor to shave me smooth, stretching my skin as he laid it pale and bare. He patted my pussy dry – it felt so naked and sensitive, and soft beneath my fingertips.

I reached forward, got his dick in both my hands then began to wank it, palm over palm. He didn't go near my cunt, frustrating us both; then I felt his balls get tight and his cum shoot out. The heat

# LOLA & EVE

**PHOTOGRAPHY: VLT**

Two babes doing the wild thing on a pool table is usually the cue (ahem) for us to launch into a load of jokes about balls, potting the pink, playing the brown, racking 'em up, triangles and such. It brightens our day. But, frankly, we can't be arsed.

Instead, we're simply going to sit back and enjoy the spectacle of Lola and Eve doing things to each other's pink bits with fingers and tongues (and on our website only, sadly, with toys as well). The last thing two sexy ladies need when they're fucking is to have some punning lunatic sitting in the corner dredging his brain for pool-related jokes. Still, we'd do 'em both in the centre pocket. Eh?

# GUEST STARRING

PHOTOGRAPHY: STEVE COLBY

The mighty Jo's modelling career lasted long enough to cover the end of the pubes era, and the advent of the shaven one. Which is best? We know some readers like a bit of fur on their pie, and plenty of others are down with depilation. Us? We couldn't possibly decide, mostly because we long ago realised that any time at all spent contemplating Jo Guest's alluring delta is time exceedingly well spent. There is no right answer.

Of course, you may differ, and *Guest Starring* will endeavour to share classic Jo Guest photosets with both muff and shaved scruff. Enjoy!

## Evil Rising

**Matchbox Films**

Deepest, darkest and glummest sixteenth century war-ridden Russia is the setting for this chilling horror movie based on murder and revenge, sin and repentance.

It's based around two main characters – Erik's the naïve young one who dreams of making it home to a life of peace but can't resist the lure of war and offers to commit all sorts of nastiness, whereas Knut is the ageing warrior grown old and half-blind in service, and who is slowly coming to terms with the fact no peace will ever make up for the things he has seen and done throughout the war.

*Evil Rising* is definitely one that requires your full attention, not many people are up to date with their Russian dialogue, and you have to battle with the subtitles, as well as the dark and twisted story line, so best to watch when you have nothing to do and there are no distractions. (Please note, there are no half-naked girls running around to distract you, but a bunch of guys running around on horses in costume, but don't let that put you off).

## Cold Comfort Farm

**Freemantle Media Ltd**

A very young and plummy voiced, but still ridiculously gorgeous Kate Beckinsale heads an all-star cast in the totally eccentric and weird film adaptation of Stella Gibbons' award-winning comic novel.

The story is based around sensible, sophisticated London girl Flora Poste (Beckinsale) who is left orphaned and homeless at 19, which leaves her having to ask her relatives for a place to stay.

Despite receiving many generous offers from those living in the city, she bizarrely decides instead to move to the countryside of deepest Sussex to take up residence at the run-down and creepy Cold Comfort Farm with her eccentric extended family of suspicious, stuck-in-their-ways country folk the Starkadders, relatives on her mother's side who agree to take her in to repay a mysterious wrong done to her father years earlier.

*Cold Comfort Farm* is definitely one your mum would like, and to score lots of good son brownie points buy it for her. Oh, and watch it with her as well.

## Power Play

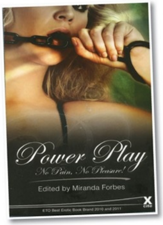
**Miranda Forbes**

**Xcite**

Xcite's latest offering contains twenty explicit stories based solely on control and dominance versus submission, with plenty of spanking thrown in for good measure.

Every kind of sexual domination and submission is explored in *Power Play*, from tongue-in-cheek role-play to intense BDSM. These stories reveal the lives of the 'slaves' and their 'masters' as well as those who like to swap roles.

The beauty of this book, compared to some of Xcite's other books we've featured, is that the stories are short so you don't have to commit to reading the whole thing, perhaps just when you want to indulge in some actually pretty well written and explicit examples of both male and female domination. But on the other hand, it is 'fiction' and as we have said before, we personally get A LOT more enjoyment from our reader's letters and hearing what filthy stuff you lot have been getting up to. Inbetween reading *MensWorld*, obviously.



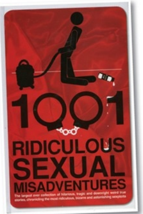
## 1001 Ridiculous Sexual Misadventures

**Gina McKinnon**

**Prion**

We've all had a sexual experience we'd like to forget, or maybe even two or three, and this book reveals more than 1,000 entertaining, factual and even downright stupid accounts of bad bonking. Favourites include the lady who was sent for an X-ray after accidentally inhaling a condom during a drunken session, the unfortunate man who started seeing the world with a blue tint after overusing Viagra and the silly policeman who thought a certain battery-powered sex toy was actually a bomb.

Good light hearted humour, perhaps best for when you need cheering up after a lonely night in with just you and your left hand, or a present for your mate after another one of his unsuccessful attempts at getting the girl. But the book can also serve as a warning, for instance the story about the man who inflated a condom with laughing gas and put it over his head for a sexual thrill. It turned out to be no laughing matter, though, when he suffocated and came to a sticky end from his solo sex session.



# STELLA

PHOTOGRAPHY: 21ST SEXTURY

Some call her Stella, some call her Sophie Moone. We just call her... a lot. And she never answers, so we can only assume that she's got caller ID on her phone package.

Still, if she did answer, we'd just try and persuade her to come and model for us again. See, as much we've seen Stella countless times in our stable of magazines, it's never enough. And these days she's quite the mogul herself – directing, shooting, starring, one of the queens of European lesbian porn. She's just too busy for us. But we're not upset. After all, as excuses go, "Sorry, I'm too busy inserting this dildo into a fit Euro bint, and then she's going to lick me out," is as good as it gets. Maybe she should record that as her answering machine message. After all, we listen to it often enough...

# JULIA

PHOTOGRAPHY: SAGE STYLE

The gorgeous Julia has graced *MensWorld* more than once before. Hell, she's even had the centrefold and cover before now. But it's taken us until now to realise her uncanny resemblance to Julie Benz, who plays (played, sorry for the spoiler) Rita Bennett in serial killer drama *Dexter*. Honestly, go and check it on the internet. This being the glamour world, we're just surprised that someone hasn't noticed and tried to get Julia to change her name from Julia Crown to Julia Bunz.

Rest assured, however, that Julia here is nowhere near as annoying or naggy as her TV counterpart, and we reckon she's probably dirtier as well.

PHOTOGRAPHY: VLT

# PENNY

Hey, boys. So, I'm hoping you know who I am already, but if not I'll fill you in right now. I worked in the adult biz for most of the 2000s, first off appearing in hardcore movies, then directing some as well. I got a few AVN Awards too, mostly for my handjob and blowjob movies, which I was kinda well-known for. Mainly cos I'm pretty good at all that stuff.

So yeah, when the editor of *MensWorld* asked me to write a confession of bad behaviour on a video shoot, at first I was, like, "Duh, they're ALL about bad behaviour – we're fucking for money here!"

So then I had to refine my memory to think about stories where weird stuff happened, the things you readers might not expect – I don't wanna bore anyone with tales of straight sex, after all.

So I remembered my earliest shoot, and how crazy it was and how unprepared for it I was, and I wanna tell you guys about that today. It was around 2002, I'd done a couple of solo photo shoots already, but nothing hardcore. I still wasn't sure how long I was gonna be in this biz, or if the whole thing suited me, but I was happy to give it a go.

I showed up on set to film what we call a 'jerkoff instruction' video, which is where you basically mime giving a handjob to camera, and talk dirty to the guy watching at home, so he cam pretend you're wanking him. They're kinda funny when you perform them, cos you've gotta pretend you're bringing a guy off but there's nothing there, you have to imagine it all. And I've always wondered why guys at home would rather watch that than a girl like me sucking on a real cock that they could pretend was their own. Oh well, each to their own, I guess.

So I showed up, stripped off and lay on this couch while the cameraman, Guy, pointed his camera in my face and told me to go for it. Now, I'm a talkative girl with lots to say but I have to admit I found it a little tricky at first. I kept giggling at how ridiculous it was, lying there pretending I was playing with a boner. Guy was patient enough

HER PUSSY WAS THE WETTEST I'D EVER COME ACROSS with me, but the make-up girl, Lucy, was pretty impatient. I could hear her huffing every time we had to cut cos I was laughing too much. But that just made it worse, knowing she was annoyed – for some reason I found that even funnier.

So yeah, we weren't getting very far, and I as I was new to this biz I was figuring this could end up being one of my last shoots. Guy put the camera down and asked if I wanted a beer. I did, so he got one for me, and one for Lucy too. We chatted a little while and I apologised for screwing up the shoot, and tried to explain how difficult it was pretending I was working a dick that wasn't there. Guy joked he could always stand-in for me. I saw Lucy blush when he said this, and I don't know what came over me but I said, "Yeah, that would help actually."

Next thing you know, the shy and annoyed Lucy is having to hold the camera while Guy slides up next to me on the couch and pulls his jeans off. So here I was, about to film my first boy/girl scene on a whim, with the director himself as my stud and a confused make-up girl as the camera-operator!

Guy had a nice big cock and it was already hard for me. I slowly made my way down his body, kissing his chest and stomach as I neared the salty, thick piece of meat waiting for me down there. I looked up at Lucy as I took Guy's dick in my mouth, giving her a smile as I wrapped my lips around it. She blushed again, but to be fair to her, she kept the camera steady and moved in for a close-up. She might have been a bit of a bitch, but she knew what to do in the circumstances.

Guy let out a moan as I deep-throated his cock, feeling my lips brush against his balls. I pulled it out of my mouth and started delivering a lecture on cock-sucking to camera, telling the viewer to pretend this was his cock, and how much I was enjoying sucking it. I rubbed it against my face, licking it from the base to the tip, and worked it with both hands, keeping Guy on the verge of coming but not taking him over the edge just yet.

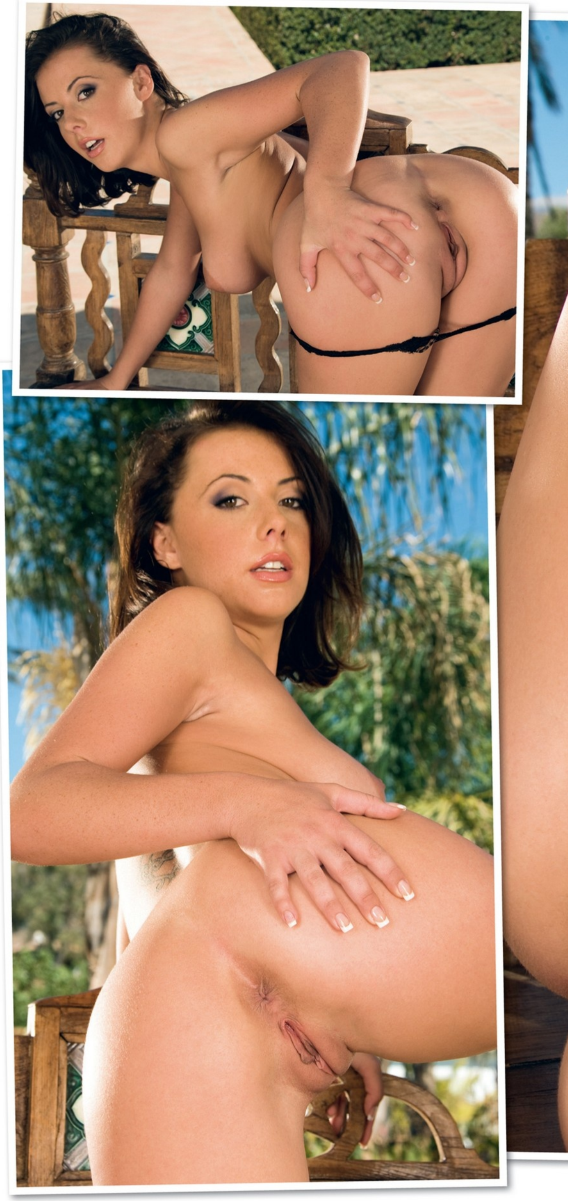
GUY LET OUT A MOAN AS I DEEP THROATED HIS COCK

I reached back between my thighs and felt how wet my pussy was. My fingers slipped right inside and as I worked up a rhythm on my clit, I bobbed my head up and down on Guy's prick. He was gently bucking his hips, thrusting it into my face, and I was very turned on, so I knew my orgasm, wasn't far away.

Lucy got in close on my face as I smeared my saliva up the shaft of Guy's meat, and then she moved around to film my ass wiggling in the air and my fingers strumming on my clit. She was really close and I suddenly felt an extra finger between my thighs as she reached forward to touch me herself. Knowing that I was turning her on in this way excited me even more, and I started to feel my climax build. I had a mouthful of cock and the cameragirl's finger in my cunt as the waves of pleasure surged through me. I moaned as I came, clamping my lips tight around Guy's dick. This set him off – I knew he'd been holding back as long as he could – and next thing I knew my mouth was flooded with hot spunk. He let out a yell as he jizzed in my mouth, and I kept it on his dick so I didn't miss a drop, letting it run down my throat.

Lucy was so turned on by this, that when our orgasms subsided she handed the camera straight back to Guy, tore off her panties, lifted her skirt and straddled my face. Her pussy was the wettest I'd ever come across, and Guy was more than happy to film her grinding it against my mouth. She didn't take long to cum either, she'd been so worked up, so by the time she had, Guy was good and hard and ready to give us both the fucking we clearly wanted. Needless to say, the three of us spent the next few hours fucking and sucking in that little studio, and I got my first experience of hardcore sex on film. I often wonder if my career would have gone into that realm if I hadn't had such a good experience on my first time. I genuinely thought I was gonna quit when it wasn't going well at the start.

One annoying thing though, is that the film never came out. I guess it's in Guy's personal collection. I'd really like to see it one day – bet you would too!



THE NEXT THING I KNEW MY MOUTH WAS FLOODED WITH HOT SPUNK

## Bree & Tori (Adam & Eve)

Adam & Eve seem to have hit upon a simple formula: Put the name of two of their stars in the title, separated by a simple ampersand. Bree Olson has already been in a bunch of these: *Bree & Alexis*, *Bree & Kayden*, *Bree & Teagan*, and so forth. It's porn that does what it says on the tin. Although, in this case, it's not just about Bree and fellow superstar Tori Black. They're amply supported by Bobbi Starr, Monique Alexander, Kirsten Price, Juelz Venture and others. It's an A-list cast and if the sex never quite lives up to that billing, it's still more than enough to ensure you'll run through a fair wad of tissue. 6 rolls should do it.

My endless applications for a job at the Young Harlots Academy continue to receive no response. Either my CV needs a serious brush-up or, and I'm leaning towards this explanation, it doesn't even exist.

If it did, I don't think the likes of Syren Sexton and Megan Coxxx would be gaining the kind of education and qualifications that would stand them in good stead in today's highly competitive job market. Still, they're over-qualified to make dicks go all big and spurty, and the European exchange students take care of the anal and DP kind of things. Take that, Ofsted.

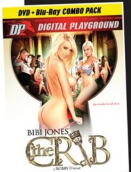
## Bibi Jones: The Crib
**(Digital Playground)**



Even in their biggest features, Digital Playground generally don't go as big on plot as, say, Wicked do. Yes, there'll be a little tale to hold it all together, but it's quickly forgotten as soon as the action begins. And what a fine specimen of womanhood Bibi Jones is. Cute, blonde, big boobed and slim – in another life she'd have been a *Baywatch* babe, but thank fuck we're not in that other life. No, we're in the life where she wraps her lovely lips around a meaty cock and huffs on it. She'll never be a top echelon 'fucker' – there's nothing nasty or kinky about her (so far) – but she'll definitely be a star.

Are you a tit man? Good. Go and get this. Amy Azurra is a fresh one on me, a big-boobed Canadian cutie who has a bunch of friends who are similarly top-heavy.

It's racks galore as Amy and stars Carmella Bing and Luna Luxx take on some impressive cocks (hey, sat where I am, with what I've got, they're very impressive), with a smattering of Brits, Yanks and a couple of European girls too. Amy's looks are old-school porn dolly-bird – big tits, blonde hair, fat lips – but it's a look that definitely served to empty my nuts. Look at them, they're like raisins.

# ROCKI LOADS!

**Emma Edwards does the timewarp again as she joins Wicked's stars on the set of porn's latest, greatest parody – The Rocki Whore Picture Show...**

**The Rocki Whore Picture: A Hardcore Parody**
**Starring:** jessica drake, Alektra Blue, Annie Cruz, Brandy Aniston, Kaylani Lei, Kirsten Price, Lucky Starr, Nicki Hunter, Nikki Daniels, Puma Swede, Brad Armstrong, Dick Chibbles, Jack Vegas, Marcus London, Randy Spears, Rocco Reed, Mac Turner, Ron Jeremy.
**Directed By:** Brad Armstrong.

ROCKI'S WICKED WEEKEND

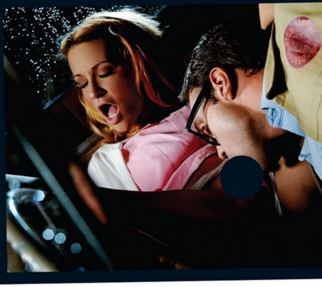
Let's do the.. no, let's not!

Let's have an orgy again! This is the general sentiment and musical merriment shared on the set of ace director Brad Armstrong's most highly anticipated parody project of the year with *The Rocki Whore Picture Show: A Hardcore Parody*.

For this incredible undertaking, that includes original musical scores and choreographed dance, Armstrong has chosen to spoof the campy 1970's cult classic. With a movie that continues to soar with popularity, this rock n' roll comedy helped to create an entirely new genre of motion picture magic that Armstrong is more than capable of tweaking for our viewing pleasure. Maintaining the edgy authenticity of the beloved characters through flawless wardrobe, witty dialogue, and spot on locations, this raunchy rendition springs to life, leaving a trail of impeccable hardcore action in its wake. Presenting the jizz biz with the next generation of stellar porn parodies, the adult community ought to take a bow, as Armstrong has just slid into the King of Parody position.

Supported by raw talent and his uncanny likeness to the movie's original star, newcomer, Mac Turner, ignites as Frank n' Beans, the deceitfully flamboyant pansexual

jessica puts the honey in honeymoon!



Somewhere under all that, a man is very happy!

scientist from the forbidden territory of Transylvania. Nestled in his hilltop mansion with his brood of sexually deviant drones, both natural and genetically created, you are about to enter into an erotic wonderland of sexual misfits, naughty nymphs, and raunchy residents that are more than eager to open wide to show off their choice goodies. With your party hat smartly in place, your sound buzzer whirling, and your pants around your ankles, we think you are primed and ready for the party of a lifetime!

The movie begins with jessica drake and Rocco Reed traveling down unfamiliar roads in search of their honeymoon destination. Feeling a bit uneasy about having to spend the rest of her sexual life with her new husband, jessica drake secretly longs for an erotic adventure that funnily enough is waiting for her just around the corner. As their car sputters and their GPS system fails, Rocco decides to give his new bride a wild ride in the backseat, proving that there's nothing vanilla about marital sex.

Lunging at his cock with an open mouth, jessica comes to life once Rocco's dick passes through her glossy lips. With her beautiful brown gaze locked onto his, jessica easily takes him to the back of her neck with one deep throat display after another. "What about my balls?" he greedily clamours, guiding his bride's newly reddened locks around his cock like a ballistic missile.

> "JESSICA COMES TO LIFE ONCE ROCCO'S DICK PASSES THROUGH HER LIPS"

When the quarters become too cramped to comfortably continue, the nuptial newcomers push the seats back to allow for additional fuck room. Now with a bit more space, jessica leaps on his lap in cowgirl position, resting her well-manicured hands over the steering wheel for added support. Expertly grinding his groin, jessica ignites with a seductive internal rhythm that pulses like hypnotic Mambo music. "I just can't get enough of you," she purrs, eventually playing in the jizz load that he proudly squirts across her inner thigh. Now that's what we call amore!

Leaving the car behind in search of shelter, jessica and Rocco happen upon the menacing mansion. Immediately immersed in a seedy world of society misfits, the newlyweds are greeted by Stiff Staff (Randy Spears), the hunchback butler, Vagina (Nicki Hunter), the insatiable French maid, and the master of ceremonies himself, Frank N' Beans.

Being beckoned upstairs, it doesn't take long before jessica and Rocco are initiated into the wild world of pornography after watching Alektra Blue and Nicki Hunter treat each other's fuck holes like pincushions by impaling each with a flurry of tongues and toys. Now immersed in a community of filthy fun, jessica begins feeling a sense of belonging as she yearns for flesh and fantasy of her very own.

After the X-rated excursions have commenced, the group is brought to an expansive party room where Frank N' Beans reveals his latest sexual creation, Rocki (Puma Swede). "The epitome of porntastic perfection personified, I give you Rocki," he cheers, as the crowd goes wild. Most impressed is jessica!

With the festivities in full bloom, Alektra sneaks out of the party, tiptoeing upstairs to greet her boy toy, Brad Armstrong. Climbing up the lattice like a lizard, Alektra welcomes her leaping lover by sucking on his cock and balls like an industrial strength vacuum cleaner. "I've missed you, ya cutie patootie," she teases, using a comical voice that is a dead ringer for the slang used by the original character.

Once plenty of oral is enjoyed by each, she tugs her blue panties to the side, allowing Brad to slip his stick into gear, plowing her hole in missionary position. To ensure an even tighter fit, Alektra eventually kicks her legs back, allowing him entry into her anus. When Frank N' Beans walks in to see the kinky calamity in action, he responds with his own diabolical rendition of, "Off with his head!" Yikes!

Meanwhile, shrouded in a crimson wonderland of red flowing drapes, lovely jessica lies in wait. With the intention of swaying her away from Rocco, Frank n' Beans seduces jessica into hardcore action. Falling for his tantalizing trickery, jessica bends herself in half, taking his cock in doggie position, as she claws up the bed sheets with each thrust.

"You're a natural porn star waiting to be discovered," Frank N' Beans entices, continuing to jab her hard with his hammer that is hung from a cock pocket that has been strategically sewn into the crotch of his diamond studded briefs. After additional sexual arrangements, Frank drains his beans dry causing jessica's pretty mouth to drip with scads of his deli mustard.

Also engaging in a little extramarital affair, Rocco lounges on a bed, while Kaylani Lei and Annie Cruz playfully decorate his face with red and white paint. With pleated skirts and spicy Asian wontons hidden underneath, he doesn't take much convincing once the girls begin pawing at his cock like sexy Rocki Whores.

"I think I'll take a seat right here," Kaylani giggles, lifting her skirt to sit on Rocco's face. Loudly lapping her labia, Rocco has plenty of delicious meat to devour. As he sucks, Annie parks herself between his legs, delivering the best blowjob of the production. With squinting eyes and a salivating mouth, this sexy alley cat treats Rocco's cock like a meaty hambone, chewing on the veiny ridges to get her fill. "Good to the last drop," Annie continues, sucking hard until her cheeks finally collapse in the middle.

"ANNIE PARKS HERSELF BETWEEN HIS LEGS, DELIVERING THE BEST BJ"

Wanting a piece of the action, the girls converge into one. Arranging themselves in a perfect sixty-nine arrangement, Kaylani wiggles her ass on the top of the pussy pyramid, looking like a pristine plaything. Plugging her puss with a sturdy push, Rocco works her hair pie hard,

causing her natural juices to seep down her legs like melting butter. Munching away down below, Annie is quick to prove that her vaginal skills are just as impressive as her cock play. By all accounts, this trio is delivering a mental mind fuck that won't be easily forgotten!

With sexual skeletons now in her closet, jessica seeks solace in the embrace of Rocki (Puma Swede). Lost in emotion and salivating over her scrumptious tits, jessica bursts out in a song about wanting to engage in lesbian sex for the first time. Before too long, jessica is indulging in Rocki's ripened rack, wrapping her pink lips around her tanned nipples for a precious suckling session. "These are perfect! You're perfect!" jessica delights, going in for another mouthful that eventually has her choking on slabs of Rocki's titty meat.

> "JESSICA FUCKS ROCKI HARD IN DOGGIE POSITION, GRABBING HER HAIR"

Also eager to tear into jessica, Rocki holds her down in doggie position, feasting on the crinkly skin of her anus before filling her pussy full of fingers. Right as Rocki is about to go in for another gooey taste, Frank N' Beans catches them in the act, chanting, "Can I film you?" Smiling from ear to ear at the veracity of his beautiful protégés in hardcore action, Frank throws the girls a bone… a strap-on cock to be exact!

Fastening it around her waist, jessica fucks Rocki hard in doggie position, grabbing tufts of her platinum blonde hair as her ride intensifies. "Take that," jessica moans, treating her newfound lover to a royal pounding that has her skin chilled and her pussy spraying with liquid delight. Before their interlude ends, Rocki dazzles her creator by stuffing a strand of red beads up jessica's juice box. Now that's what we call a pearl necklace!

In a surprising twist that has the tables turned on Frank N' Beans, the residents of the mansion, including his sexual creations, ignite in a passionate orgy that has bodies humping in virtually every corner of the mansion. Now drowning in a sea of passion, our naive newlyweds are in the thick of it. Swinging wildly from branch to branch, jessica makes good use out of several cocks, bending and twisting to fit as many into her as possible. And, off on the other end, Rocco is busy fucking every hole that comes his way, putting his new oral aptitude to the test as well.

When the action dies down and the participants of the orgy rest, jessica and Rocco gather their clothes and tiptoe out of the mansion. Ready to begin their life of monogamous bliss, Jessica revels in finding her "inner whore". Urged not to go, the dynamic duo leave the mansion hand in hand, ending the show as expertly as it began.

With painstaking attention paid to every detail, while being led by one of the most skilled directors in the adult industry, this production is literal perfection from start to finish. Without a flaw to be found, this is hardcore spoofing at its best. Check it out and you'll see what we mean!

CONTINUED FROM PAGE 15

as those salty drops hit my newly bald skin got me whimpering with pleasure. I reached down to touch myself but Jake brushed my hand aside.

He smeared his cum all over, coating my pussy lips with sticky stuff. Then he went down on me, tongue raking my slit and stirring around in my hole. He trapped my clit between his fingers, squeezing and rubbing.

As I came, I felt him swallow, sucking down all the juices as they flowed out. Then he licked his way back up, wetting my nipples. Just as I thought I couldn't cum anymore, his dick, semi-hard again, brushed over my clit as we kissed, sending another bolt of pleasure through me.

I started humping up against him to get him hard, catching hold of his dick and working it against my puffy slit. With no pubes to soak them up my juices were streaming out, my entire pussy slick.

I got him inside of me, but he only fucked me for a few strokes before pulling out and flipping me on my belly. Now he did me lying-down doggie, body stretched out over mine. That way he could slide his hands under me to cup my boobs, or else reach down to give my clit more attention. The size and weight of him, pressing down and spreading me, had me grinding on the covers.

I started to cum, felt myself tauten around the thick length in my hole, then pulse in ecstasy as my orgasm rippled from my clit and through my pussy. He stayed in deep, then started to fuck me harder, till he was really pounding in and out. Then I felt a gush of spunk high inside of me. He pulled out, working it all over my slit and crack, scooping it all out with his fingers to rub in. He dipped a finger in my snatch down to his knuckle, which got me squealing and jerking around on the bed.

I hope you liked reading this – I've never felt so sexy so I thought I'd write to *MensWorld* and share it! I now keep my pussy shaved and, maybe it's wishful thinking, but I'm convinced no shop-bought lotion keeps my skin as smooth and soft as a generous shot of cum!

*Mary, Wirral*

## WAITER, THERE'S A DICK IN MY PUSSY!

I'm dating an older guy, a successful businessman named Charles. He's so attentive in bed – he'll go down on my cunt for hours until I can't cum any more. But when we socialised with his business friends, I'd feel like I was just his piece of arm candy – a trophy blonde. One night at a party he told me, "Go get a drink, amuse yourself…" and I took him at his word. I scoped out the room, my eyes settling on a hot waiter – Tony, according to the nametag on his chest. Well, the wait was over for him now I was serving up high-class pussy, no platter required!

We sneaked into the garden and stripped each other naked, kissing passionately all the while. He was ripped from the gym with cool tattoos and by the time his hand was cupping my cunt, I was flowing wet.

When I unzipped his black trousers, his cock sprung out, red-tipped and rigid. He groaned as I gave it a playful stroke, just testing it out, feeling the veins pulse against my palm. Already, I could feel the tip of it begin to seep with slippery pre-cum, so I worked it over his helmet, then used the tip of my thumb to strum against the join between it and his shaft. This drove him crazy. He began to suck hard on my tits, so I wanked harder too, then he moaned at me to suck him off, stroking and gently pushing on my head as I kissed my way down over his flat tummy.

His prick was even more tempting close up. I lapped the salty glaze off of the head, catching more drops on my tongue as they oozed out. Then I sucked him in, taking a long, self-indulgent slurp before looking up, my eyes locking on his as I used my tongue to get his helmet bulging in my cheek.

I let him take in that sight then started to suck again, hand wrapped around his root so he could fuck my mouth. Then, just as he built up a rhythm, I pulled away, told him I wanted his cock inside of my cunt right now. He settled on a seat and I straddled him, reverse cowgirl, grabbing his knob and, savouring the anticipation

as I teased him, tapping and rubbing him up against my clit. Then I sunk down on him and started to ride him as hard as I could.

He was a big, strong bloke, thrusting up into me like I weighed nothing. Then he just let me fuck him, drawing him in deep and squeezing him with my cunt while my fingers crept down to his balls. They were full and heavy, like he hadn't lost his muck in weeks. As I worked them between my fingers, he groaned, humped up into me a little more, then clamped his arms down on my thighs, holding me tight and deep on him as his jizz spurted out.

I felt it fill me to the brim. He kept holding on tight to me, sucking my nipple then groaning as my pussy clamped even tighter around him. He stayed inside of me as long as he could bear, then I lifted myself off of his dick, frothed-up cream splashing out all over it as I frigged myself to another orgasm that got my entire body shaking.

We dressed and went back in before Tony's boss missed him – no chance of that happening with me and my other half, who was still talking shop with his business pals. I smiled sweetly until he took me home. I could have kept it my dirty little secret, but when he asked what I'd been doing with myself, I told him the truth, that I'd banged a waiter. Then I proved it by showing him my panties, soaked through and streaked with traces of jism. My pussy was still puffy and dripping from my orgasm.

Charles got me on all fours, stroked himself hard against my arse crack, then thrust into my cunt, doing me frantically until we both came, leaving my twat a spermy mess once again. Screwing Tony was a spur-of-the-moment thing, but if this is the effect it's going to have on my sex life, I may have to make a habit of it!

# DANNI

PHOTOS: HICKS PHOTO

We're no experts on ethnicity (despite any rumours to the contrary), but we think we spy a streak of Latin loveliness in Danni. Are we right?

"Yes you are," she concedes, "my family are from Puerto Rico. But I was born in America, in New York to be precise."

Can we come and stay with you, then? Hotels are a fortune in Manhattan.

"Sorry. But maybe you can stay with me in L.A, as that's where I live now. I plan to make my name in porn and there isn't much of an industry in New York. You've got to be where the money is and people are, and that's L.A."

Are you sure it's not Shoreditch? We've just got a new office kettle. It's very swanky and nowhere near as noisy as the last one.

"You Brits and your tea! I'll make sure I've got some teabags in if you come to stay."

We're already on our way...
